Summary

Hello! I'm Kola Naveen, a passionate and driven individual with a strong interest in the world of data analysis and insights. Currently studying at Vel Tech University, I am on track to graduate in 2025 with a degree in B.Tech Computer Science and Engineering.

My journey into the realm of data began with a fascination for discovering patterns and uncovering hidden insights. From coursework to personal projects, I've been dedicated to honing my analytical skills and learning the tools that enable me to transform raw data into actionable intelligence.
